RULMANN WEDGE

Overall: 70" W X 41" D X 30" H

Seat: 46"W x 25"D x 18"H

Drawn from the ethos of mid-century organic modernism, the Rulmann Collection embodies the curvilinear genius of Kagan, Royère, and Noguchi. Each module is sculpted, low-slung, and materially grounded, inviting personal reconfiguration. Sofa becomes chaise becomes multi-piece conversation sectional. Modularity is not a function, but a philosophy, a living system of sculpture and repose.

Handcrafted in North Carolina, Rulmann is available in multiple modular components. Designed for permanence, built for expression.

Also available in customer's own material (COM).
Requires 9 yards of plain railroaded fabric.
